Dear Election Officer:

As custodian of records, I hereby certify to you, as the county election officer, that pursuant to K.S.A. 19-826, a search of state and national criminal history records for Sheriff Candidate **Dale Edward Flory** has been completed.

Based on Mr. Flory's fingerprint card, dated January 20, 2020, searches were conducted at the Kansas Bureau of Investigation and at the Federal Bureau of Investigation. These searches revealed that Mr. Flory has **no criminal history record** that would preclude him from holding the office of sheriff pursuant to K.S.A. 19-801b.

Certified on this 7th day of February, 2020.
