Dear Sir,

As required by K.S.A. § 25-901, we are writing to inform you that between December 1, 2017 and November 30, 2018 Americans For Prosperity made independent expenditures in the amount of \$3,196 opposing Douglas County Proposition 1.

Pursuant to AG Op. 88-146, Americans for Prosperity received no contributions to support these independent expenditures and used general funds.

If your department has an independent expenditure form you would prefer we file with instead of this letter, please let us know.

Kind Regards,

Lindsey Melody  
Senior Counsel
