SUBJECT:

Consider Change Orders for Stained Glass Restoration

DATE:

March 25, 2009

Back in February the County contracted with Bovard Studio to restore the nine stained glass windows in the Commission Meeting Room. This contract included cleaning, re-leading, and fabricating and installing a new vented protective covering.

The cost (\$19,964) fell within the administrative approval guideline. Following further review of the stained glass windows after their removal, Bovard Studio has submitted three change orders for our consideration:

Change Order #1: Epoxy repair loose sash joints and repaint interior and exterior sash \$2,300

Change Order #2: Replace a total of 54 previous poor glass matches

\$3,875

Change Order #3: Clean paint overspray off glass

<u>\$ 345</u>

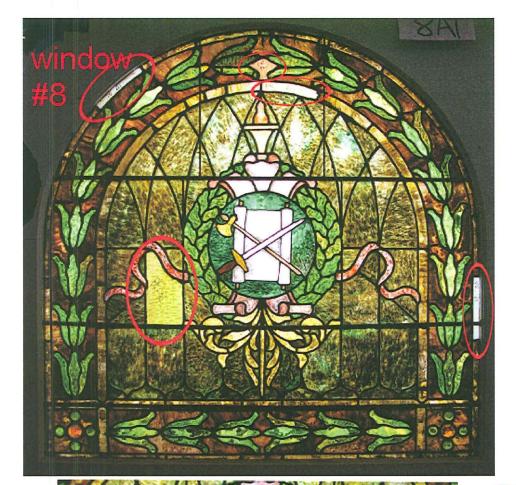

TOTAL

\$6,520

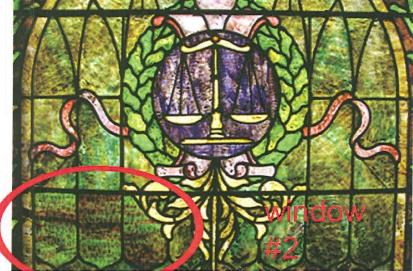

It is my recommendation that we accept all three change orders. I asked Bovard Studio to provide me sample pictures of the previous poor glass matches (see attached). It has been confirmed that all 54 glass matches were replacements over the years, and do not retain any historical value.

In accordance with our Purchasing Policy, the Board of County Commissioners would need to approve these change orders that now exceed our \$20,000 threshold. I will be available at the commission meeting to answer any questions you may have.

SUGGESTED MOTION: The Board of Commissioners approves change orders in the amount of \$6,520 for additional restoration of the stained glass windows.

Circled are some examples of pieces previously replaced with a poor match

Re : Consider authorization to solicit bids for Project No. 2007-13

Route 438 improvements from Route 1029 to K-10

A discussion of the CIP is scheduled for this Monday's meeting. As part of that discussion, the BOCC should consider whether to proceed with improvements to Route 438. Douglas County applied to KDOT for federal economic stimulus funds for this project, however, we were not successful in obtaining those federal funds. This project has been included in Douglas County's CIP for several years, and adequate funds are available.

It is this department's opinion that proceeding with the project this year will result in favorable bids compared with, say, bidding the project next year. With current fuel prices relatively low, and with the current lull in project bid lettings, we would expect favorable bids if bids are opened in the near future.

By letting the project at this time, we run the risk of not completing the work by the coming winter. However, we feel it is very possible with decent weather to complete the project before winter. In order to increase the chances of completing construction before next winter, we recommend revising the contract to include a substantial-completion date. The contract documents currently allow the contractor 160 working days (or about 8 months with good weather) in order to complete construction. We recommend revising the contract to require substantial completion by November 21, 2009. This may result in slightly higher bids than we might have obtained by allowing the contractor 160 working days, but we feel it will still result in lower bids than letting the project next year.

A proposed project schedule is as follows:

Authorization to solicit bids
Begin advertising
Open bids
Award contract
Latest notice-to-proceed
Substantial completion

March 30

April 1 April 22

April 27

June 1

November 21

Action Required: Consider authorizing Public Works to solicit bids for Project No. 2007-13, Route 438 improvements from Route 1029 to K-10.

MEMORANDUM

TO:

Board of County Commissioners

FROM:

Keith Dabney, Director of Zoning & Codes

Linda M. Finger, Planning Resource Coordinator

DATE:

March 26, 2009

SUBJECT:

Re-Codifying Zoning Regulations in County Code

The Subdivision Regulations and Zoning Regulations have been updated on the County's website to include all the text amendments adopted in 2008. In working on these updates, staff noticed that the County Code incorporates the Zoning Regulations by reference – referring to a 1985 Resolution and amendments thereto – instead of including the full 100+-page document.

The resolution on your agenda will amend the county code to include the full text of the Zoning Regulations, reformat the existing Zoning Regulations to match the current County Code, and delete the current Chapter XII Article 3, Zoning Regulations that include only 5 short paragraphs.

County staff is continuing to work on an update to the full Zoning Regulations with city/county planning staff. It is anticipated this revised document will go to public hearing in the summer. After the revised Zoning Regulations are adopted, it is our intention to have both the Zoning Regulations and Subdivision Regulations formatted the same so the flow between the two planning documents is smoother. This will require revising the County Code to create a separate chapter (Chapter XIII) for Articles 1 & 2 in current Chapter XII that pertain to creation of the Lawrence-Douglas County Planning Commission and the Board of Zoning Appeals.

The county counselor, Evan Ice, prepared the Resolution on the agenda to re-codify the Zoning Regulations in the County Code.

Resolut	ion No.	

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF DOUGLAS COUNTY, KANSAS, CODIFYING THE ZONING REGULATIONS FOR THE UNINCORPORATED TERRITORY OF DOUGLAS COUNTY, KANSAS, INTO THE COUNTY CODE

WHEREAS, on September 23, 1966, the Board of County Commissioners of Douglas County, Kansas (the "Board") adopted the Douglas County Zoning Resolution which applied to the unincorporated territory of Douglas County, Kansas (the "County").

WHEREAS, on September 11, 1985, by Resolution 85-46, the Board recodified such zoning regulations, together with all amendments that had previously been made thereto, which zoning regulations have been subsequently amended in certain respects and such zoning regulations, as previously amended, are hereinafter referred to as the "Zoning Regulations."

WHEREAS, on October 1, 2001, by Resolution 01-35, the Board codified its general resolutions into a code known as the Code of the County of Douglas, Kansas (the "County Code").

WHEREAS, when the Board codified it's general resolutions into the County Code, the actual text of the Zoning Regulations was not included, but rather was incorporated by reference in Section 12-301 of the County Code.

WHEREAS, the Board has determined it advisable to codify the actual text of the Zoning Regulations in the County Code, rather than incorporating the text by reference.

NOW, THEREFORE, the Board	of County	Commissioners of	Douglas County
Kansas, sitting in regular session this _	day of	, 2009,	and intending to
exercise its statutory powers, does here	by resolve	as follows:	

- 1. <u>Codification of Zoning Regulations into County Code</u>. The Zoning Regulations, which were most recently compiled by the Douglas County Department of Zoning & Codes as containing all amendments though September 15, 2008, together with all amendments adopted prior to the date of this Resolution, are hereby codified at Article 3 of Chapter 12 of the County Code. Upon codification in the County Code, all articles and sections of the Zoning Regulations shall be prefaced by "12-3xx," where the xx corresponds to the applicable article or section number of the Zoning Regulations prior to this codification. For instance, Article 1 of the Zoning Regulations will become Section 12-301 of the County Code, Section 1-1 of the Zoning Regulations will become Section 12-301-1 of the County Code, and so forth.
- 2. Repeal of Prior Provisions of County Code. Sections 12-301, 12-302, 12-303, 12-304, and 12-305 of the County Code, as in existence prior to the effective date of this Resolution, are repealed and replaced by the provisions set forth above. No

other provisions of the County Code are amended by this Resolutions and all provisions, as previously adopted, codified and amended, are affirmed and readopted. No provisions of the Zoning Regulations are amended by this Resolution, and all provisions, as previously adopted and amended, are affirmed, readopted, and incorporated herein by this reference.

incorporated herein by this reference.	
3. <u>Effective Date</u> . This Resolution shafter its adoption and publication once in the office.	nall take effect and be in force from and cial County newspaper.
