INSTRUCTIONS FOR PREPARING SCHEDULE C

All expenditures and disbursements made to any person in an aggregate amount over \$50 during this reporting period are to be itemized to include the date of payment, name and address of payee, purpose of expenditure and the amount. The total of all other such expenditures of \$50 and under is to be entered as a lump sum on the last page of Schedule C. **Expenditures contracted for or remaining unpaid bills are to be reported on Schedule D.**

When debts for goods or services which were previously reported on Schedule D are paid off, that payment should be recorded on this schedule. This schedule should also be used to report the repayment of loans **owed** to the candidate; the disbursement of illegal contributions; and the payment of recoverable security deposits.

Date is the date the payee was actually paid during the reporting period and is to include month, day, and year.

Name means the full name of the payee.

Address is to include the payee's street address (or rural route), city, state and zip code.

Purpose of expenditure or disbursement is to reflect the nature of the expenditure; e.g. newspaper advertising, printing, bumper stickers, consulting fees. In the case of party and political committees, when an expenditure in the form of an in-kind contribution is made to a candidate in excess of \$300, the name and address of the candidate, the amount, date and specific service or product provided must be listed. When an independent expenditure in excess of \$300 is made which expressly advocates the election or defeat of a candidate for state or local office, the name and address of the candidate who is subject to the expenditure must be listed.

When an expenditure is made by payment to an advertising agency, public relations firm or political consultants for disbursement to vendors, the report of such expenditures shall show in detail the name of each such vendor and the information required on this schedule with regard to each such expenditure.
